Helping students with Tribal Enrollment Questions

Students might need help understanding tribal enrollment procedures or may need to determine if their tribe is federally recognized for scholarship purposes. Here are some links of tribal lists and tribal numbers. Students can call to ask about tribal enrollment process or eligibility; they must know the name and date of birth of the parent or grandparent they believe is enrolled in the tribe. The enrollment process and timeline varies by tribe.

List of Federally Recognized Tribes and Phone list: <http://www.ncai.org/tribal-directory>

List of Federally Non-recognized Tribes: <http://www.manataka.org/page237.html>

(these may be State recognized and/or terminated tribes that are seeking or have sought Federal recognition)

Common Documentation needed

CDIB: Certificate of Degree of Indian Blood (a.k.a. CIB, enrollment letter, letter of descent) is a document from the tribe showing the fraction of tribal blood for that member or descendant.

Proof of Tribal Enrollment: Letter from the tribe with the tribal enrollment number on it. The letter may also include the degree of blood.
